We're doing full suite of metals but toxicologist spoke to those...I don't have reasoning/explanation tho (only heard part of conversation)...but we can talk to folks in the morning.

Hello Everyone,

Dissolved metals information is posted on the website – [www.epaossc.org/goldkingmine](http://www.epaossc.org/goldkingmine). Click on documents (either at the top of the website or right side of page); it's titled "data report." Thanks, Gina
